Hi Paula,

Is this something that can be done remotely versus in Durango?

Nancy has requested help for congressional inquiries on GKM at the JIC. Ideally candidate would be familiar with Congressional and Intergov Liaison work and would serve to track, manage, respond (where possible), ensure consistency with responses, or route to appropriate responders. We have a one-woman shop here in Rebecca Russo, who is working 80% time on this but has a number of year end responsibilities too. Do any of you have someone who could travel to Durango to assist Nancy on this task? Please advise. Thanks a million for your consideration!
